A QUARTERLY UPDATE ON THE LATEST HAPPENINGS AT MUTHOOT GROUP

VOL XX / ISSUE #4/MAR 18

Chairman's Message

Commitment is Strength. Strength is Victory.

Towards a new beginning in 2018, I would like to give emphasis on the virtue of fostering and developing all individuals around us, as capable professionals with deep rooted integrity. It should be our intent to empower them, regardless of age, so that they brim with inexhaustible energy and a desire to excel in their professional and personal life.

I would continue to personally inspire everyone to put their heart and soul into their work and also remember to continually thank the Almighty for having blessed us with a life that is truly precious.

With humble pride, I announce that The Muthoot Group has engaged the legendary Shri. Amitabh Bachchan as its Brand Ambassador. Padma Vibhushan, Shri. Bachchan, popularly known as the Shahenshah of Bollywood will hereafter be representing us in all national campaigns. As a popular icon of the Indian Film Industry, he has acted in 190+ Indian films in a career that spans almost five decades. His versatility, passion to achieve excellence across all his works and his strong connect with our values, make him the perfect fit for associating with us. I believe that this priceless association will act as a great partnership that will immensely help project our Brand nationally and internationally, besides facilitating excellent growth across all our divisions.

This is not all. This year, we have also decided to associate with one of the finest IPL Teams, Chennai Super Kings (CSK). The Muthoot Group is now the Principal Team Partner of CSK. As a part of this partnership, all CSK players' Team Jerseys will now bear The Muthoot Group's logo on the front of their jersey. Having associated with Delhi Daredevils IPL Team, India Super League for Soccer and Pro Kabaddi League in the past, this association once again reinforces our strong association with sports.

We are confident that all our staff members will leverage these two colossal associations with the two giants of Cricket & Bollywood and help grow our Company in a big way.

On the Q3 financial performance, our Assets Under Management stood at Rs. 30,712 crore [YoY increase of 10% against Rs. 28,005 crore last year] and the highest Quarterly PAT of Rs. 464 crore.

Muthoot Homefin (India) Ltd., our wholly owned subsidiary, increased its loan portfolio by Rs. 270 crore during the quarter. It achieved a net profit of Rs. 8 crore in Q3 FY18.

Belstar Investment and Finance Private Limited (BIFPL), an RBI registered micro finance NBFC and Subsidiary Company grew its loan portfolio during Q3 FY18 by 19% reaching Rs. 945 crore.

Muthoot Insurance Brokers Pvt. Limited (MIBPL), an IRDA registered Direct Broker and a wholly owned subsidiary of Muthoot Finance generated a first year premium collection amounting to Rs. 22 crore during Q3 FY18.

Our Sri Lankan subsidiary, Asia Asset Finance PLC. (AAF) increased its loan portfolio during the quarter by 3%. Total revenue for Q3 FY18 stood at LKR 65 crore generating a PAT of LKR 5 crore.

Indeed, it has been a good Q3 performance but a lot more remains to be achieved in February & March 2018. Reciprocating this good performance of the Company in these 9 months, the Board has announced the highest ever dividend of 100% i.e. Rs. 10 per equity share.

To conclude, giving shape to the Corporate Social Responsibility of The Muthoot Group, Muthoot M George Foundation felicitated the 10th standard toppers of Government schools across Kerala, Karnataka, Telangana and Andhra Pradesh. The meritorious students were recognized and rewarded by way of Excellence Awards and cash prizes.

I would like to close by stating that with the total commitment and co-operation of all our stake holders, our Company will surely achieve the goals and objectives it has set for itself, in the years to come.

With best wishes,
